

## MB STAR OF THE WORLD'S MOST IMPORTANT TRADE FAIRS THIS AUTUMN

As usual 2016 is confirmed to be very busy for MB Crusher that, after the great success of Bauma last April, will be involved until the very end of the year in the most important international trade fairs.

Fairs always represent an important opportunity to meet new clients, make tangible and appreciated the high quality of MB products and to introduce new entries, which this year have been truly many: **MB-LS220**, a new screening bucket for loaders and backhoe loaders from 12 tons, a complete line of hydraulic drum cutters **MB-R** and last but not least, the third generation of bucket crusher **BF90.3** and screening bucket **MB-S18** MB flagships.

September will be the busiest month with a double date in Germany, first in Neumunster from the 7<sup>th</sup> to the 11<sup>th</sup> of September with **Nordbau** fair, with a demo area to see the machines at work, and soon after **Galabau**, the gardening, landscaping and green-design exhibition to be held in Nuremberg from the 14<sup>th</sup> to the 17<sup>th</sup> of September.

All possible solutions for the mining sector will be on display at **Minexpo**, held in Las Vegas September 26<sup>th</sup> to 28<sup>th</sup> MB Crusher could not miss such an significant international appointment also on this occasion teaming up with MB America representatives.

From September 28<sup>th</sup> to October 1<sup>st</sup> MB is back in its native soil and will be the protagonist at **Marmomacc**, Verona's international fair of stone industry. It is a constantly growing event, where quality and completeness of the exhibition are combined with the most advanced know-how in the processing of natural stone; this year expectance is over 70,000 visitors from all over the world.

In October, a major conference in France, the Mining Industry conference **SIM** 12-14 in Grenoble, an unmissable opportunity for all mining industry pros. Immediately after from 17 to 20 we will fly directly to Saudi Arabia, in Riyadh for **Saudi Build**.

In November there will be 3 different occasions to see MB: firstly at **Ecomondo** Rimini 8-11 November, the Italian trade show dedicated to circular economy, with the most advanced and sustainable technology solutions for proper waste management and its exploitation; then comes the turn of China, where the MB Shanghai branch will represent the company at **Bauma China** 22-25, the construction sector major event of this country still in large infrastructural growth. To finish the **Big5 Dubai** November 21<sup>st</sup> to 24<sup>th</sup>, one of the most important industry events in the Middle East where more than 3,000 exhibitors from 150 countries worldwide are expected.

December grand finale is up to India, where the Mumbai branch of MB Crusher will participate at **Bc India** 12-15 in New Delhi. This fair is an important opportunity to meet Indian companies operating in the construction sector, where the sales segment of machinery is still on the rise.

Commitment to customer satisfaction, improved results and a company policy that aims to total quality are values that MB follows since day one. This zest is in the DNA of a company that never tires of traveling the world to raise product awareness in every remote corner of the planet, became the first undeniable growth factor and has enabled MB to build a strong and efficient network ready to meet the needs of every customer, wherever they might be.
