FOR IMMEDIATE RELEASE
28 October 2016

Arkaz, a subsidiary of Alturki Holding, will be attending the Middle East Concrete trade show, 21-24 November

Khobar, KSA, October 28, 2016– Arkaz, a leading firm in the MENA region for value-added Construction Chemicals and Building Products, will be attending Middle East Concrete conference and trade show. The event will be held on 21-24 November 2016, at New Za'abeel Halls 4, 5, & 6 at the Dubai World Trade Centre. More information on Arkaz is available at www.arkaz.com. Additional information and registration for the Middle East Concrete conference is available at www.middleeastconcrete.com.

“Arkaz will be displaying and sharing our complete line of products at Middle East Concrete. We are very excited to be able to attend this massive and important construction trade event. There will be thousands of the MENA region’s most important and influential leaders in construction, an industry that’s imperative to our region’s growth.” – Dr. Frank Noehmer, Managing Director, arkaz.com

Arkaz is leading supplier of Concrete Admixtures and Building Products. They produce concrete admixtures, liquid waterproofing and specialty concrete chemicals, as well as trade in, waterproofing membranes and Caltite (a hydrophobic poreblocking waterproofing Admixture). Many of these products are manufactured in the region. Arkaz is also the exclusive distributor for GCP and Cementaid in KSA.

“Arkaz will be growing its reach in 2017 into the GCC, including Bahrain, Qatar, and Kuwait. This conference will be the first step of an aggressive growth plan into new regions and developing relationships with new clients. Despite the decline in market activities in KSA, Arkaz has taken the necessary steps to position itself within this niche and I am looking forward to 2017 being an exciting and eventful year.” – Dr. Frank Noehmer, Managing Director, arkaz.com

Arkaz has been in operation since 2008. The firm is a specialized manufacturer and trader of value-added building product. Arkaz is a fully owned subsidiary of Khalid Ali Alturki & Sons (Alturki Holding) which has been operating in the Kingdom since 1975
