

One-Stop Solution for Construction Equipment

United Motors & Heavy Equipment Co. LLC – Construction & Industrial Equipment

Outside Stand B31

United Motors & Heavy Equipment Co. LLC (UMHE), a subsidiary company of **Darwish Bin Ahmed & Sons Group**, founded in 1964, is participating in the BIG 5 Exhibition, 2016. UMHE is showcasing some of the premium and high profile brands in the Construction and Industrial Equipment Segment. Also on display are well-known brands in Aftermarket Spare Parts for Construction Equipment. UMHE is a highly diversified company and one of the leading names in the **UAE** - they are authorized dealers for many renowned and reputed brands, and are involved in the Sales, Service and Distribution of equipment for Construction and Power Generation.

In line with the current market needs and constantly catering to the rapid changes in the industry, **UMHE's Construction Industrial Equipment & Parts Division (CIEP Div)** is dedicated in offering their valued customers a comprehensive range of Equipment from across the globe, backed by a well-trained and high performance Aftersales Service Team to serve their customers.

Today UMHE is the distributor for famous brands of Construction and Industrial equipment like **SANY, YALE, BELL, AIRMAN, LANDOLL, LEICA, MAN, IMER, DAISHIN, GENERAC TOWER LIGHT, SAKAI, ASTEC** and **RDT** from **ATLAS COPCO, DAEMO Rock breakers and highly useful attachments from AUGERTORQUE**. They are the authorized distributors for **EATON Hydraulic products** which are supported by an exclusive Sales and Service Team.

UMHE also represents dominating brands in the aftermarket spare parts like **BERCO, WEARMASTER, BRONZ, UM FASTNERS, ASHER LOCKER, FP DIESEL**, etc.

SANY is one of the long-standing and well-established brands in the world in Concreting and Construction equipment business. In alignment with their slogan "Quality changes the world", **SANY's** major thrust is on continuous improvement with over 6000 highly skilled and knowledgeable Engineers constantly working to exceed the market demands. **SANY** Equipment is also on display at **UMHE** stand, and will be supported by an expert team to attend their customers and visitors.

"As **BIG 5 PMV** is one of the most important exhibitions with a regional impact, **UMHE** chose the **PMV Live Exhibition** to showcase their contribution for construction industry across the world."

UMHE aspires to enable a perpetual growth in the region in near future & looking forward to meet their existing customers, to understand and meet their future requirements, to strengthen their customer relationship and to focus more on new business during the forthcoming year.

Please do visit the stand and meet their Products' Heads to know more about their products.
